THE LATYMER SCHOOL

Founded 1624

TEACHER OF GEOGRAPHY & HISTORY

Salary: Outer London Teaching scale

Start date: 1st September 2024

Contract: 1 year fixed term contract

Deadline for Application: 10am on Friday 28th June 2024

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one “family” and it being a “real community”. We are very proud of our school and believe it is a place where you can really teach and develop to attain the highest educational standards. We are regularly named in the top 10 performing schools in London by The Times Newspaper.

We have an exciting opportunity for a teacher to join two excellent departments Geography and History. The post will see you teaching mostly Geography with a third of your timetable being History. Both departments are extremely well resourced and are very popular subjects in the school. Whilst you would be well supported in the two departments, here at Latymer it is also a fantastic opportunity to develop and hone your craft as a teacher with both encouraging colleagues and keen and enthusiastic students.

The Geography Department works as a close-knit group, sharing resources and strategies and are an energetic and friendly department. As you would expect, Geography is a very popular option at A-level and GCSE. The department’s exam results are consistently high at both GCSE and at ‘A’ level and were excellent for 2022-23. Geography results are very high, the most recent externally graded results in 2023 being 88.3% of students achieving grades 9-7 at GCSE and at A Level (with 21.2% achieving an A*, 66.7% A*/A, 93.9% A*/B and 97.0% A*/C). The History Department is a thriving and well organised department that is impressively resourced to provide a supportive working atmosphere for staff. Programmes of study across all the key stages seek to challenge and stimulate all students and the department has a consistent record of excellent results with 84.4% of pupils gaining 7/9 in GCSE History. History is also a popular subject at A Level and students continue to excel 94.1% achieving A*- C and many going on to read History at university.

The school will ensure there is an appropriate balance of teaching across the Three Key Stages.

The school provides a range of well-being activities, such as circuits, Pilates and facilities including good transport links, free parking, a cycle to work scheme, use of the fitness suite and even massages by a qualified masseuse. The school also runs a number of national and international trips, and we even have our own residential centre in a beautiful part of North Wales which staff also use. We value our staff and the importance of maintaining a healthy work life balance.

If you would like to join this hard-working, able, and effective team of committed teachers, we would love to hear from you. Please create an account at [mynewterm](https://mynewterm.com) and apply. Prospective candidates are encouraged to submit their application as soon as possible, as the school reserves the right to close the advert should we feel able to appoint an appropriate candidate.

Further details and The Latymer School can be found on the school website (www.latymer.co.uk): [The Latymer School - Join our team](#)

The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory ‘Enhanced with a Barred List Check’ through the Disclosure and Barring Service.

The Latymer School is an equal opportunities employer.
