Letter to applicants

Dear Colleague,

Thank you for your interest in both Birchwood High School and the role of Teacher of Geography.

Birchwood High School is a large 11-18 school with around 1400 students from Bishop's Stortford and the surrounding area. We are proud to be an inclusive and non-selective school which serves the needs of all students regardless of their starting points. Student needs are supported through a strong balance of academic progress, pastoral support and curriculum enrichment.

We try to ensure that every Birchwood geographer understands the interconnectedness of humans and the environment and that they are equipped with the skills to tackle the world's future problems. We are looking for someone who can contribute to this aim by inspiring our students and staff.

Geography is currently taught across KS3 to KS5 at Birchwood High School, and the department prides itself on providing a broad and inventive program of study that is applicable to students in the 21st century. Our curriculum is as broad and balanced as the national curriculum but designed with our specific learners in mind, we combine study of the local area with national and international case studies and students particularly enjoy topics like 'Risky World' and 'Changing China'. We also try to provide lots of practical experiences for our students, there is fieldwork embedded for all year groups, sometimes conducted in the local area, sometimes further afield in places like London and Norfolk.

Geography is one of the more popular GCSEs and A Levels within the school, we typically have 5 GCSE groups per year and two A Level groups per year. A large part of this success is due to our strong KS3 curriculum provision and our fantastic teachers.

We are currently seeking to employ a well-qualified and passionate teacher to join our Geography department. The successful candidate will be an enthusiastic and inspirational practitioner with excellent subject knowledge of KS3 through to KS5 and who wants to play a full role within the department. There is also the opportunity of teaching other Humanities subjects at KS3.

For more information about the Humanities Faculty and the curriculum maps please visit the school website ([here](#)). If you have any further questions about this post, please feel free to email the Head of Faculty, Mrs H Walsh on hwalsh@birchwoodhigh.org.uk.

To apply, please ensure that when completing the online application form you include in your statement any relevant experience to date, your values, how you would make a difference to student outcomes and why you want to be part of the Birchwood Community.

Applications should be submitted using the [mynewterm](#) platform no later than **9.00am on Monday, 1st July 2024**. Interviews will be held on shortly after.

If you would like to find out more about the role and/or arrange an informal visit to the school, please contact Louisa Atherton directly.

Yours sincerely

Mr Sam Griffin
Principal

About Bishop's Stortford and Birchwood High School

Bordering the county of Essex, Bishop's Stortford is a thriving, historic and picturesque market town situated in Hertfordshire. The town is served by direct train links into London Liverpool Street, Cambridge and Stansted Airport and the M11, M25, A120, A10 and A414 making Bishop's Stortford easily accessible to Cambridgeshire, London, Hertfordshire, Essex, and Stansted Airport. With such great transport links, easy access to beautiful countryside and a wide range of excellent local primary and secondary schools, it is easy to see why this is a favoured commuter area.

Our School is located in the north-east of Bishop's Stortford, close to the town centre and the train station. It is situated in an attractive open setting within a residential area backing onto mature woodland. Converted to a Single Academy Trust in 2011, Birchwood is a well-established, attractive, all round inclusive, co-educational secondary school and sixth form.

We have a PAN of 240, and a current sixth form of 225, making us one of the biggest schools in the local area. Most students enter our school at Year 7 from primary schools within the town and surrounding area. We work hard to foster good relationships with our local primary schools and a particular emphasis is put on transition to Year 7.

We have great pride in being an inclusive school with an all-ability ethos that respects and responds to the different backgrounds and situations of all our students. We offer a broad curriculum choice and an extra-curricular programme that encompasses the National Curriculum and beyond. It is central to our ethos that the curriculum is accessible to all students and Birchwood has a strong local reputation for SEND provision.

Investment has been made in initiatives to facilitate recovery from the pandemic, these include a whole school literacy programme, now in its second year, and the development of an intervention centre to provide targeted support where it is most needed. Students, staff, and trustees have worked together on recent initiatives to champion equality, diversity, and inclusion, with a particular focus on gender equality as well as LGBTQ+, race and ethnicity, to foster a whole school culture where everyone feels welcome and safe to bring their whole selves to school.

Our school buildings and facilities are modern and well maintained. They include a light and welcoming library, dedicated sixth form centre, cafeteria and kitchens, and a full range of equipment and rooms to support our wide curriculum offer. We also have a modern sports hall and gym, a dance studio, and a dedicated drama studio. Staff have access to a large staff room and shared work area. In addition to the indoor facilities, there are well maintained grounds which include social areas, a 3G AstroTurf pitch and a large playing field for grass pitches and athletics. There is also a detached playing field that offers opportunities for future development. The quality of the facilities and our outward focus means that we have an established busy community lettings programme which includes use by drama, music and sporting groups.

Trustees have recently released reserves of £400,000 to invest in improvements to our buildings and facilities. These have included updating the PC's and computer suite, remodeling our reception area, upgrading some of our toilet facilities and the Personalised Learning Centre - which is our hub for SEND provision. We have also installed new boilers and new CCTV and telephone systems.

Our School Values and Ethos

Our core values are encompassed in our mission statement:

“ At Birchwood we are part of something special, welcoming all, supporting all, and encouraging all.

Enjoying together the exploration of ideas, the excitement of learning and the celebration of our achievements, in a school where we feel safe.

“your dreams, your future, our challenge”
