Teacher of Geography (MPS/UPS)
September 2025 start

Our Story

Thank you for your interest in joining the staff team at The Kingston Academy. As we mark our tenth anniversary since opening in September 2015, we invite you to apply for a position at one of the nation's top-performing state schools.

TKA, as we are fondly referred to, was opened back in September 2015 as part of a unique partnership between Kingston University, Kingston College and The Royal Borough of Kingston Upon Thames - they still form our Trust Membership today.

Mrs Sophie Cavanagh
Headteacher, TKA
Executive Director, KET

We have accomplished a great deal in the relatively short time we have been open. We have a track record of achieving stellar GCSE and A-Level results, firmly securing us as one of the top-performing non-selective schools in the country. We have quickly also become the school of choice for young people with special educational needs.

In January 2022, we welcomed Fern Hill Primary School into our founding Trust - Kingston Educational Trust. Our distinctive Trust composition means that we are uniquely placed to develop, grow and support all of our staff.

This is an exciting time to join us as we continue on our journey of excellence. For further details about the role you are applying for, please see the information included in our specific Job Packs, including details of how to visit us in person. We'd love to meet you.

Ms Charlie Venter
Head of School

Teacher of Geography

The Kingston Academy seeks a qualified and experienced Teacher of Geography with a strong command of their subject. ECTs are welcome to apply and will be fully supported by our expert team.

Geography at TKA empowers students with the ability to understand and interpret the world around them as well as the changes and challenges that will impact them and the lives of people around the world.

Our successful candidate will be expected to teach across any or all of Key Stages 3 to 5. The ability to teach either Human or Physical Geography at A-Level standard is desirable but not essential. Our Geography curriculum is an inspiring one, and we are equally ambitious about Geography outside of the curriculum, including field trips both locally and internationally - our recent trips to Naples and Iceland will give you a feel for our ambitions. You will be joining a team of experienced and supportive colleagues, all of whom are subject specialists.
