

MALMESBURY SCHOOL

Happy, caring, excellent

TEACHER OF MATHS

Welcome to the Athelstan Trust.

Our Multi-Academy Trust is an organisation in which children, staff and parents can feel part of a caring, collaborative and excellent community.

We are a Multi-Academy Trust of five secondary schools and two primary schools in Wiltshire, Gloucestershire and South Gloucestershire. Established in 2015, the Athelstan Trust aims to achieve the best for, and from, each child. We intend to enable each child to realise their full academic, creative and physical potential and to develop positive social and moral values.

Believing that successful schools are rooted in their local community, we respect and value the individual nature and ethos of our schools while knowing we are more effective when we work together and support each other. Celebrating spiritual and creative diversity, success, and lifelong learning is important to us. We are inclusive and collaborative and promote a culture of openness and integrity.

We are absolutely committed to raising educational standards for all the children in our schools. We believe in developing the talents and skills of all our staff and students.

We seek applicants who share our vision and values.

We look forward to receiving your application.

Best wishes,

A handwritten signature in black ink that reads "Tim Gilson".

Tim Gilson

Chief Executive Officer

The Athelstan Trust

Dear Colleague,

Thank you for your interest in working with us at Malmesbury School. It is a wonderful opportunity for an ambitious and talented individual to join a forward thinking and invocative school with exceptionally high levels of achievement, behaviour and performance.

At Malmesbury we endeavour to ensure our school is a Happy, Caring and Excellent environment in which all students can thrive. We are proud to be a truly comprehensive school, and our provision matches the needs of our truly comprehensive and rural in-take.

As you visit the school, walk the corridors and speak to our staff and students, you will see our mantra embodied in everything we do, including our recruitment process. We are recognised regionally for our superb outcomes for students with significantly positive Progress 8 year-on-year. We are also proud of the development the students make personally during their time with us, the destinations of our leavers and the numbers attaining exceptionally well after leaving Malmesbury in Higher Education.

Our offer goes beyond the classroom and we are proud of our extensive extra-curricular offer, whether that be our exchanges and foreign links with Denmark and South Africa or vast range of clubs and societies. We believe strongly in developing all our students culturally and exposing them to range of opportunities that best prepare them for being Happy, Caring and Excellent adults.

This letter provides a flavour of Malmesbury School. There is much more to see on our website and if you would like any further information/clarification then please contact Kelly McCarthy, our HR Lead, kmccarthy@malmesbury.wilts.sch.uk who will be only too happy to help.

I look forward very much to hearing from you and wish you the very best of luck with your application.

Yours sincerely

A handwritten signature in black ink that reads "B Jouny".

Mr Brett Jouny
Headteacher

Our Philosophy as an Employer

The Athelstan Trust is absolutely committed to raising educational standards for all the children in our schools. In order to do this, we need to recruit the best staff who are committed to our vision and values.

We aim to be the employer of choice in our area and genuinely believe that all roles in our organisation can be carried out within a flexible working model. Working in schools should be seen as part of a rich fulfilling life and not a barrier to it. We will always consider a flexible working option for every post.

We understand that we need to support staff to achieve our goals and have in place a professional development programme that offers internal and external opportunities to develop the talents and skills of all our staff.

Why work for us?

Internal career opportunities

Personalised professional development and training

Employee assistance programme

Flexible working opportunities and a genuine commitment to family and work/life balance

Nationally negotiated cost of living pay

Automatic enrolment to the teacher or local government pension schemes

Generous holiday allowance for support staff

Recognition of local government continuous service

Cycle to Work scheme

Discounts at local gyms

Teacher of Maths

- Start date:** 1st September 2024
- Salary:** MPS/UPS - £30,000 - £46,525 per annum
- Contract:** Full Time, Part time, Permanent
- Location:** Malmesbury School
- Closing date:** Monday 15th April 2024 at 5pm

NB: Should a suitable applicant be found then the vacancy may be closed to applications ahead of the advertised closing date.

The Athelstan Trust is a successful and growing Multi-Academy Trust consisting of five secondary schools and two primary schools in Wiltshire, Gloucestershire, and South Gloucestershire. We currently employ over 600 people and educate 4,100 pupils and plan to expand further over the coming years. At Malmesbury School our vision is to be a Happy, Caring and Excellent community. We are proud to be a truly comprehensive school providing an education of the highest quality for all the students within Malmesbury and the surrounding area.

Malmesbury School requires a dynamic, enthusiastic, and well-qualified teacher of Mathematics. This post would be suitable for a highly competent ECT or a teacher with experience and a proven track record of success. The Mathematics faculty is a team of talented, supportive and innovative teachers whose passion and enthusiasm for their subjects has helped secure a history of successful examination outcomes. This is an excellent opportunity for professional development in a very supportive and caring school. We have large numbers of students studying Mathematics at A Level and offer both A-Level Maths, A-Level Further Maths and Core Maths. The school has superb accommodation, and the Mathematics Faculty occupies a suite of classrooms equipped with interactive whiteboards grouped around a large faculty office.

The Athelstan Trust is an equal opportunities employer. We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful candidate will be required to undertake an Enhanced Disclosure and Barring Service (DBS) check.

We are a flexible working employer and we are willing to make any reasonable adjustments you require during your interview so please ask us.

JOB DESCRIPTION

POST: Teacher of Maths

LEVEL OF PAY: MPS/UPS

PRIMARY FUNCTION: To be responsible for the day-to-day teaching care of allocated groups.

LINE RESPONSIBILITIES:

- Directly responsible to the Senior Curriculum Leader/Curriculum Leader for teaching commitment
- Directly responsible to the appropriate Academic Leader and Student Support Leader for role as a form tutor (or as attached staff to the year group)

BUILDINGS AND EQUIPMENT:

Responsible for all learning materials, audio visual aids and consumable stock as allocated by Senior Curriculum Leader/Curriculum Leader.

Responsible for the physical condition of allocated classroom(s) including furniture and equipment in the room(s).

Main duties:

1. To teach allocated groups according to the faculty/subject scheme of work and in accordance with the general methodology of the faculty/subject area and school.
2. To be responsible for the academic performance, behaviour and appearance of groups taught, in sympathy with the stated aims of the school and faculty/subject area.
3. To undertake the duties of a form tutor (or attached staff member to a year group) as allocated by the Headteacher.
4. To plan and prepare lessons.
5. To keep accurate records of the work covered by all teaching groups including records of homework and coursework set as part of the scheme of work.
6. To keep accurate records of students' progress and prepare such assessments and reports as are required by the faculty/subject area, school or National Curriculum.
7. To maintain accurate records of students' attendance at lessons and notify the Senior Curriculum Leader/Curriculum Leader and form tutor of any unusual absence.
8. To undertake a management role, appropriate to a main scale teacher, within the faculty/subject area as indicated in this job description.
9. To contribute to the schemes of work and the improvement plan for the faculty/subject area.
10. To liaise with, and set appropriate tasks for, Teaching Assistants allocated to groups or individuals taught.
11. To deliver all aspects of the entitlement curriculum as required by the schemes of work.
12. To carry out tasks allocated in accordance with the faculty/subject area improvement plan and meet the targets set within the faculty/subject area plan.

13. To take part in the school appraisal review and to participate in an agreed programme of professional development.
14. To communicate and consult with parents in accordance with school policy and practice.
15. To start internal and external examinations where the presence of a subject specialist is required by the School Leadership Team.
16. To participate in the meetings programme of the school.
17. To ensure that the school Health and Safety policy is implemented.
18. To cover for absent colleagues when called upon, in accordance with school policy and practice within the national guidelines for workforce reform.
19. To complete the organisational tasks related to normal teaching duties.
20. To liaise with administrative assistants related to administrative work within the faculty/subject area.
21. To be responsible for promoting and safeguarding the welfare of the children and young people in the school.
22. To follow all the school procedures for child protection and liaise with the Designated Safeguarding Leads on all matters relating to issues of child protection.

Other duties:

To be available for such duties as are mandatory and/or mutually agreed with a member of the School Leadership Team, or the Senior Curriculum Leader/Curriculum Leader.

Trust:

There is an expectation of collaboration and resource sharing with other colleagues across the Trust.

A recognition of the importance of personal responsibility for health and safety	✓	
A commitment to continuous professional learning	✓	
Potential to develop further within the subject and the school		✓

MATHEMATICS FACULTY

The faculty is strongly committed to providing a high-quality education whereby students across the full ability range can experience pleasure and success in the study of mathematics. At present the faculty consists of 18 staff. We also work closely with the computing department. The faculty members are friendly and supportive of each other and work very well as a team.

There is a suite of eight teaching rooms with one well-resourced faculty office at the centre. All maths rooms have interactive whiteboards and web cameras to use as visualizers along with a well-stocked equipment tray. We are committed to the use of ICT for personal planning, faculty records and delivering the concepts of mathematics.

Over the last few years, we have completely rewritten some of our schemes of work at KS3 and KS4 to take into account the national changes. The schemes are produced in electronic format with links to web sites and resources. There are TLR holders leading each key stage and all staff have supported implementing the current curriculum changes by writing assessments and sharing DIRT tasks.

All classes are set by attainment in each half year; year 7 is set from October half term. Students are assessed after every unit of work and setting is reviewed continuously. There is a rigorous assessment cycle and time is given to direct improvement and reflection. Students are supported in their independent learning using homework and the online resources we subscribe to.

Key Stage 3 classes have 7 hours of mathematics per fortnight and there are 8 hours per fortnight in Key Stage 4. We currently follow the Edexcel specification for GCSE. We have a large take up for A-level with approximately 35 students in Year 13 and 40 in Year 12. We also run Further Maths groups in both years 12 and 13. We currently follow the Edexcel specification at KS5. We also offer AQA core maths as an optional qualification to all post 16 students not taking A level maths, taught by specialists within the faculty. Most staff in the faculty teach post 16. Exam results have been consistently excellent across all key stages.

There is an extensive mathematical enrichment programme laid on for students both in and out of school which staff enjoy getting involved with. Events such as careers days, primary challenges, STEM events, inspirational speakers and online competitions regularly take place.

We are looking for an ambitious practitioner who is committed to excellence and is keen to use ICT in their planning. You need to be flexible and motivated by challenge. A desire to contribute to the extended curriculum for example through our lunchtime drop-in sessions to support students is essential. In return you will find us a very supportive and warm team, packed with a range of experiences and teaching styles but also receptive to new ideas.

Stephen Long, Senior Curriculum Leader - Mathematics
January 2024
