Our Story

Thank you for your interest in joining the staff team at The Kingston Academy. As we mark our tenth anniversary since opening in September 2015, we invite you to apply for a position at one of the nation's top-performing state schools.

TKA, as we are fondly referred to, was opened back in September 2015 as part of a unique partnership between Kingston University, Kingston College and The Royal Borough of Kingston Upon Thames - they still form our Trust Membership today.

Mrs Sophie Cavanagh
Headteacher, TKA
Executive Director, KET

We have accomplished a great deal in the relatively short time we have been open. We have a track record of achieving stellar GCSE and A-Level results, firmly securing us as one of the top-performing non-selective schools in the country. We have quickly also become the school of choice for young people with special educational needs.

In January 2022, we welcomed Fern Hill Primary School into our founding Trust - Kingston Educational Trust. Our distinctive Trust composition means that we are uniquely placed to develop, grow and support all of our staff.

This is an exciting time to join us as we continue on our journey of excellence. For further details about the role you are applying for, please see the information included in our specific Job Packs, including details of how to visit us in person. We'd love to meet you.

Ms Charlie Venter
Head of School

Teacher of Philosophy, Religion and Ethics (PRE)

The Kingston Academy seeks a Teacher of Philosophy, Religion and Ethics with a strong command of their subject. ECTs are welcome to apply and will be fully supported by our expert team.

Our successful candidate will be expected to teach across any or all of Key Stages 3 to 5. In Years 7 to 9, all pupils study one lesson of PRE per week and Religious Studies is offered as a GCSE option to all pupils at Key Stage 4. Philosophy is also a popular course choice at Sixth Form level and is offered to pupils as an A-Level.

TKA is a school that prides itself on embracing diversity and it is important to acknowledge that embracing different religions and worldviews is highly important in our role as a school. Pupils in PRE lessons are genuinely engaged and pleased to discuss their own faith or to question things they may not understand. Discussions are enlightening and the atmosphere in lessons is open, as it is based upon gathering understanding for its own sake, and because it helps them understand themselves and each other.
