Candidate Information Pack

Teacher of Science

(with possibility of Head of Science to cover a maternity leave)

Welcome from the Head Teacher

Thank you for your interest in this exciting opportunity to join St Augustine's Catholic College. As a Catholic Lasallian College, we are part of a global network of educational institutions inspired by St. John Baptist De La Salle, the patron saint of teachers. His mission was to provide the highest-quality education to those most in need, always honouring the dignity of each child as a 'son or daughter of a great King.' We strive to live by this vision every day, fostering a welcoming environment where all students and staff feel valued and included.

We are seeking a passionate and aspiring colleague to join our dedicated staff team and make a meaningful contribution to our community. At St Augustine's, we are committed to sustainable growth and improvement in a constantly evolving world. Our recent OFSTED inspection highlighted this commitment: "The desire to provide educational opportunities which make individuals the best that they can be drives all that the school does." For us, this means not only achieving academic excellence but also nurturing well-rounded individuals who are ready to make a positive impact on society.

In recent years, our journey of continuous improvement has led to a complete revision of our curriculum, the introduction of an incremental coaching programme for all teachers, and the development of a behaviour system that ensures students can learn in a disruption-free environment. Central to our mission is our focus on inclusion, which seeks to ensure that every learner can access the curriculum and the opportunities they deserve and are entitled to. St Augustine's is consistently a high-performing school, with academic achievements well above national averages, reflecting both the quality of our education and the dedication of our students.

Our recent OFSTED report also noted, "Staff feel proud to work at the school. Early career teachers receive appropriate guidance and feel well supported." If you join us, you will be entering a supportive and challenging environment where you can grow professionally while sharing your talents with our vibrant community.

We look forward to learning more about what you can bring to our team and how we can

support you on your journey to reaching your full potential.

Our Values and Purpose

Our Values

Taught by Jesus Christ, faith, hope and love inspire everything we do. We aim for the highest standards of learning, and look for the development of wisdom. In this way, the gifts possessed by every individual can be valued.

Our Purpose

St Augustine's exists to provide a Catholic education in order to develop independent citizens of the future.

"Develop" because those who come to St Augustine's are individuals, each with their own quirks and characteristics. We do not aim to produce clones.

"...Independent ..." because self-respect, self motivation and courage are required if one is truly to live one's life according to the teachings of Jesus Christ.

"...Catholic..." because we believe that the Catholic faith provides the best guidance for living a fulfilled adult life, for members of the Catholic church as well as for non-members.

"...Citizens ..." because education is a gift whose fruit is to be re-invested in society: we are called to serve others in whatever way we can. Liberty and Equity cannot be absolute values, but Fraternity can.

"...of the future..." because, if we get it right, our leavers will be applying the lessons learned at St Augustine's for decades to come; in that time they will use the skills they have acquired to learn, unlearn and relearn the things they will need to know to face the challenges that the future brings.

About the role

St Augustine's Catholic College seeks to appoint an experienced, engaging and enthusiastic teacher of science from Easter 2025. We welcome all specialisms but applicants must be able to teach all three sciences at GCSE and KS3.

We are also seeking a Head of Department to cover a maternity leave from approximately Easter to the end of the academic year. If you wish to be considered for this temporary role alongside your application for the teaching role please make this clear in your covering statement. Please refer to the separate Job Description for the Head of Science role.

The exam board we use is AQA for all A levels, and we offer triple science as an option at GCSE, otherwise all other students follow the trilogy AQA combined science route.

As a school we have a strong reputation for excellent results with A level science courses being ever popular choices, many of our students go on to secure places at top universities to study engineering, medicine, and other STEM subjects.

The school's moto is 'Together we're Stronger' and that is how we seek to work as a science department - you will find welcoming and supportive colleagues who are always seeking to innovate and improve the science education of our students.

The school has a strong, non-judgemental, coaching ethos which constantly helps to develop the practice of all teachers whatever their level of experience.

All labs are equipped with dedicated practical areas, Clevertouch screens and access to computer systems.

We have recently made an investment into updating our scientific data handling and recording software with new Bluetooth censors which allow the projecting of real time results onto the board for demonstrations with younger years and use by our A Level students.

A Career at St Augustine's

St Augustine's Catholic College is seeking to appoint outstanding individuals. Staff are our most valued asset and we aim to support them both in their current roles and to develop them for future careers. Working alongside the teaching staff, we have a skilled support staff team who perform vital roles within the College. Continuous professional development plays an important role in ensuring that the quality of teaching is very high within the College. There are many opportunities for development, with staff working collaboratively with neighbouring secondary schools within the area.

Professional Development

We are an SSAT leading edge College and use the TEEP model as a framework for Teaching and Learning, and development of outstanding practise.

At St Augustine's, we tailor CPD to an individual's aspirations and make sure that lesson observations are developmental and thoroughly supportive. We run pop up hotspots led by staff, to coach and mentor one another, encouraging a culture of collaboration.

All support staff meet annually with their line manager to discuss their career aspirations and how the College could help support those. There is a well-developed induction programme to ensure that new staff settle in well and any additional needs are discussed. Training courses on a wide range of topics are available and the College is always open to consider appropriate professional qualifications. Staff are encouraged to join supportive peer groups which may be comprised of local or national colleagues working in a similar role and the College works hard to foster links with other local schools to share ideas and support each other. Support staff are considered integral to the successful running of the school and are expected to take part in whole school training and team building events where appropriate.

Cyclescheme

St Augustine's Catholic College is a registered employer of the Cyclescheme which is the UK's most popular Cycle to Work benefit, providing staff members with the opportunity to purchase a bike of their choice, tax free. Staff can save 25-39% of the cost of a new bike and accessories whilst also spreading the cost. Payments are deducted via payroll over a term of 12 months.

Staff Wellbeing

A Staff wellbeing group has been set up, giving opportunities for staff to suggest strategies that would possibly impact wellbeing, alongside regular wellbeing audits. We pride ourselves on being a family-centred College, with policies such as Shared Parental Leave and Flexible Working to reflect this.

We understand the importance of a healthy work/life balance so we make sure that there is minimal report writing and data capture is measured and timely – we report progress two or three times a year (depending on year group). We also have a marking and feedback policy that considers a teacher's workload and is tailored to each individual department.
