This is an excellent opportunity to become a member of the team within our Curriculum Support department. This position is primarily focused on supporting students in the classroom, however, having the ICT skills to work in our Visual Access Centre, creating and modifying resources for our visually impaired students, would be advantageous.

Our Teaching Assistants support students across the key stages, helping them to overcome barriers to learning in mainstream classrooms, and may deliver small group reading interventions. Students present with a wide range of special educational needs, medical conditions and disabilities including visual and hearing impairment; autism; specific and general learning difficulties. There may be an opportunity to undertake medical training to support identified students for anyone who is interested in this specialism.

We are looking for someone who:

- is competent in the use of ICT, including MS Office and Google, and is keen to transfer these skills to resource modification
- has strong numeracy and literacy skills
- has an understanding of SEND
- enjoys working with young people of secondary school age
- demonstrates a calm and steady manner
- demonstrates good interpersonal skills and can work as part of a team
- is flexible in their approach and willing to take on new challenges.

We can offer the successful candidate:

- A competitive salary with London fringe allowance and Local Government Pension Scheme
- Bespoke CPD to suit your career goals
- Focus on staff well-being with an online GP service, Employee Assistant Programme, subsidised use of an on-site electric vehicle charging and complimentary use of a new on-site fitness suite.
- An admission policy prioritising the children of staff (a qualifying period may apply)
- Lovely school grounds in leafy surroundings with ample parking.
