

SOUTHGATE
SCHOOL

Welcome from Southgate School

Dear Colleague,

Thank you very much for your interest in the role of Pastoral Support Officer. I hope this pack will give you an insight into our school and the role.

First and foremost, Southgate School is a school that you can teach in, one where overwhelmingly, the students engage with teachers and their own learning. External reviews have told us time and again that we are a happy community, that students are getting a very good experience indeed and that colleagues readily collaborate and support one another. We are now striving to be recognised as an Outstanding school which achieves its challenging top 5% of schools targets for student outcomes in Year 11 and one that sees even more students make it into the very best universities or onto the best apprenticeships.

Southgate School joined Middlesex Learning Trust, MLT in August 2018 with the aim of working with other highly ambitious and successful schools to deliver the best possible education for students of all abilities and backgrounds. Currently, the Trust has three secondaries – ourselves, The Compton School and Stopsley High School. It is led by our CEO Ann Marie Mulkerins, who has worked extensively throughout education.

You will work in a truly dynamic environment alongside outstanding educational leaders who want the very best for our students, staff and stakeholders.

For a confidential and informal conversation to discuss this opportunity please contact Hannah Lynch at: HLynch@southgate.enfield.sch.uk

If you think you are the person we are looking for then we would be delighted to receive your application and I look forward to meeting you.

Mr Martin Lavelle
Headteacher
